

Doubting God Is There Evidence For The Existence Of God?

1. The evidence of the origin of life

Genesis 1:1*In the beginning God created the heavens and the earth.*

- *How did we get here?
- *What caused the “Big-Bang”?
- *Where did everything come from in the first place?
- *How did the first living cell come together?

2. The evidence of fine-tuning in creation

Isaiah 40: 22 *He sits enthroned above the circle of the earth, and its people are like grasshoppers. He stretches out the heavens like a canopy, and spreads them out like a tent to live in.*

- *The fine tuning of gravity
- *The fine tuning of the cosmological constant
- *The fine tuning of atoms
- *The chance that earth could support life

Hebrews 11:3 *By faith we understand that the universe was formed at God's command, so that what is seen was not made out of what was visible.*

3. The evidence of _____

- The presence of sophisticated machines performing specific functions
- The presence of irreducibly complex systems
- The presence of complex information

Genesis 1:27 *So God created human beings in his own image. In the image of God he created them; male and female he created them.*
