Trust Check Card by Stephen Covey

- **Integrity** → Are they being consistent with who they say they are?
- **Intent** → Do I believe their motives are genuinely for my good, not for themselves?
- **Competence** → Can they actually do what they say they'll do?
- **Results** → Can they get results?

Trust Check Card: Do I fully trust God?

- **Integrity** → Do I believe God is always who He says He is—even when circumstances are painful?
- **Intent** → Do I trust that God's heart toward me is good, and that His motives are love, not control or harm?
- **Competence** → Do I believe God is actually able to handle what I'm facing, or have I started relying on myself instead?
- **Results** → Do I believe God is ready to help me with this in some way? Do I remember the track record of God's faithfulness in Scripture and my own life, or do I let present problems erase that history?

Father, I know you have integrity. You cannot lie. I know you have a positive intent in mind and plan to show your love in this somehow. I know you are competent and you know how to get results... So in the middle of this, before I see how, I say thank you. I know that as I trust you, I will see your goodness.

God, my Father and King,

I want to love you with all that I am and I want to live today fully in your kingdom. So I bring my whole self before You now in order to willingly surrender to you.

SPIRIT/ HEART / WILL

I surrender my will to Yours. May Your desires become my desires. I let go of the illusion of control, and I say yes to Your rule in my life. Not my will, but Yours be done. I lay down my desire to control people, outcomes, and my image. Create in me a heart that ONLY wants what you want.

MIND (Thoughts + Feelings)

I surrender my mind to you. Let your word in my mind give direction and fuel to my will. Help me bring every thought captive to you. Teach me how to think about what is true, noble, right, pure, & lovely. May my feelings not rule me, but be ruled by Your peace. Don't allow me to be driven by fear or pride. Help me see where I'm believing anything bad about you.

BODY

I offer my body to you. I surrender my desires and habits. Let me speak only what You would speak, go only where You would lead, and do only what love requires.

SOCIAL CONTEXT

I surrender my place in the lives of others. I give up my desire to be admired, included, or validated. Free me from any need to impress or control others. Instead, let me be a blessing today in every interaction. Use me to serve, encourage, and reconcile. Teach me to love without needing anything in return – Just like you do. Help me see each person as You do — full of value, beauty, and eternal significance.

SOUL (Whole Life Integration)

My soul was made to trust you. Help me see if I am not. I surrender my soul to you. Restore my soul today. Help me respond to every problem by turning to you for grace (your power changing what I cannot change). Show me if I am holding anything back from you.
